<b>Why I became a Governor</b>	It is a real pleasure to be a Governor at Endon Hall Primary School. I am passionate about education and, as a parent; I want to see our local primary school go from strength to strength. I feel very fortunate that my child attends a school where she feels secure and happy and makes good progress. I hope that as a Governor I will be able to give something back to the school and support such dedicated and committed staff. I look forward to working with staff and governors to fulfil our school ethos; to make sure all children at Endon Hall Primary School realise their full potential in a safe, happy and exciting environment where all achievement is valued.	
<b>The day job!</b>	I have previously worked as a teacher, senior leader and Special Needs Coordinator in a primary school. I currently work as a Special Needs Advisor, for a local authority, with particular responsibility for pupils with Autism.	
<b>What do I contribute?</b>	I have an education background and an insight in to the strategic management of schools. I am passionate about inclusion and believe the achievements, attitudes and well-being of all our children matter.	
<b>Do I have children at the school?</b>	Yes
