<b>Why I became a Governor</b>	<p>I was a Community Governor prior to becoming a member of staff at Endon Hall. My working background has always been within education, both in mainstream and special schools.</p> <p>Both my children, now 23 and 17 years old, attended Endon Hall, so I have been involved with the school for 19 years, either as a parent, a Governor or a member of the staff team.</p> <p>I have seen a lot of changes over the years and am passionate about seeing the school go from strength to strength.</p>	
<b>The day job!</b>	<p>Every day is different! I work in the school office, which involves a range of jobs and duties – administrator, data manager, paying the bills, messenger, negotiator and a ‘stand in mum’ as and when required by 217 children!</p>	
<b>What do I contribute?</b>	<p>My role within the Governing Board is to support the Headteacher and Chair of Governors with administrative duties. I am also responsible for taking minutes at the Finance &amp; Premises sub-committee meeting and the Nursery and Phoenix meetings.</p>	
<b>Do I have children at the school?</b>	<p>I was going to say no I don’t, but my youngest son, Harry, has just taken up a Sports Apprentice role within the school.</p>
