| | Date appointed | July 2014 |
| Why I became a Governor | I wanted to offer my advice and assistance to the school, in support of the dedication Miss Lewis has for the school, and in order to achieve the best possible benefit to the children and their families. | |
| The day job | I am a solicitor / director in a local solicitors firm and I specialise in family law. I juggle this with looking after my two teenage children. | |
| What do I contribute? | I have a lot of experience in dealing with family dynamics and have insight into Special Educations Needs / Safeguarding together with having practical knowledge of dealing with people from all different walks of life. | |
| Do I have children at the school? | No | |
